|                            |                               |
|----------------------------|-------------------------------|
| Product                    |                               |
| Real power (W)             | 30                            |
| Real luminous flux (Lm)    | 4500                          |
| Luminous efficiency (Lm/W) | 150                           |
| Beam angle (°)             | T3                            |
| Life time (h)              | 70000h L70B10                 |
| IP                         | 66                            |
| Control gear               | DALI                          |
| Average life time (h)      | Up to 100,000hrs LM70,Ta 25°C |
| Colour temperature (K)     | 4000                          |
| Colour consistency (SDCM)  | SDCM<6                        |
| CRI                        | >80                           |
| IK                         | IK08                          |
