

Driver 24V DC plastic case

|              |                            |
|--------------|----------------------------|
| Item code    | 86.CV24.0181.01            |
| Product type | Indoor                     |
| Category     | Drivers & Components       |
| Family       | DRIVERS                    |
| Subfamily    | Driver 24V DC plastic case |
| Pictograms   |                            |

|                            |             |
|----------------------------|-------------|
| Product                    |             |
| Real power (W)             | 8           |
| Real luminous flux (Lm)    | 24V         |
| Luminous efficiency (Lm/W) | 0,34 A      |
| Beam angle (°)             | 0.81        |
| IP                         | 42          |
| Electrical feeding         | 90/264 V AC |
| Control gear               | ON-OFF      |

|                         |            |
|-------------------------|------------|
| Dimensions              |            |
| Product dimensions (mm) | 60x30x23.5 |
