

HI. EFF. STRIP IP66

|              |                                                                              |
|--------------|------------------------------------------------------------------------------|
| Item code    | 86.LS13.1300.90                                                              |
| Product type | Indoor                                                                       |
| Category     | LED Strips                                                                   |
| Family       | HI. EFF. STRIP IP66                                                          |
| Pictograms   | <div>Driver<br/>EXCL</div> <div>IP<br/>66</div> <div>50000h<br/>L70B10</div> |

|                            |               |
|----------------------------|---------------|
| Product                    |               |
| Real power (W)             | 14.4          |
| Real luminous flux (Lm)    | 1296          |
| Luminous efficiency (Lm/W) | 90            |
| Beam angle (°)             | 120           |
| Life time (h)              | 50000h L70B10 |
| IP                         | 66            |
| Colour temperature (K)     | 3000          |
| Colour consistency (SDCM)  | SDCM3         |
| CRI                        | 90            |

|                         |                                          |
|-------------------------|------------------------------------------|
| Dimensions              |                                          |
| Product dimensions (mm) | PCB 10mm x 5m trimmable 50 mm, 140 LED/m |
