

Figure 1 consists of two schematic diagrams, (a) and (b), illustrating the measurement system. Diagram (a) shows a microphone connected to a 100 cm tube, which is connected to a 10 cm tube, which is then connected to a speaker. Diagram (b) shows a microphone connected to a 100 cm tube, which is connected to a 10 cm tube, which is then connected to a speaker. A 10 cm tube also connects the speaker back to the microphone, forming a closed loop.
