

CIRCLE

Lavov surface downlight from the family CIRCLE with a power of 18W and an optics of 100 degrees made in Die Cast Aluminum and PMMA diffuser with a real lumen output of 1800lm and an efficiency of 100lm/W, ON-OFF driver.

|              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
