

### TUBULAR-S A

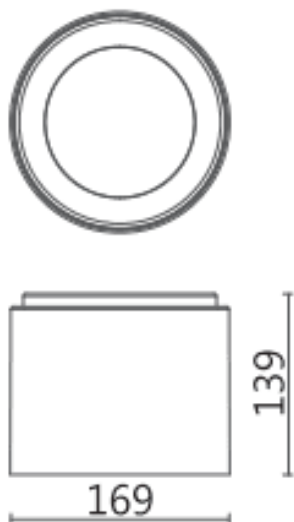

Lavov surface mounted downlight from the family TUBULAR-S with a power of 25W and an optics 50 degrees beam angle. CCT 4000K. With a total lumen output of 2050lm and an efficacy of 82lm/W . Made in Die Cast Aluminum and finished in Silver color. DALI driver.

|              |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
